Michael Chapman provides agronomy and farm management advice. He specialises in combineable crops agronomy, strategic farm business advice, financial monitoring and the management of contract farming agreements.

Michael is retained to provide advice on several farms in North Essex, West Suffolk and South Cambridgeshire.

Michael was brought up in a Norfolk farming family and graduated from Newcastle University in 1991 with a degree in agriculture. He joined Velcourt as a farm management trainee and foreman in Kent and Gloucestershire before taking farm management roles with the company in Worcestershire, Norfolk and Essex.

In 2003 Michael established his own business providing farm management and agronomy services initially in Essex and Norfolk before expanding into surrounding counties.

In January 2012 Michael joined with 2 rural chartered surveyors and merged his business to form Land Partners LLP, based outside Braintree.

Michael is BASIS and FACTS qualified.
